## MATERIALS

### 1 Melamine

Available in multiple colors and wood grains, melamine is a decorative paper saturated by a resin with a particle board core made from wood fragments.

### 2 Wood Veneer

Available in maple or cherry finish or an unfinished veneer ready for staining or painting. Wood Veneer is a layer of wood over a plywood core.

### 3 Relax

Anodized aluminum components with melamine or wood veneer shelving, drawers and doors.

### 4 Alto

Available in 10 colors, this textured, decorative melamine has a PBC core and is made from 100% recycled wood fiber.

### 5 Medium Density Fiber Board

MDF, Medium Density Fiberboard is an engineered wood product made of wood fiber.

Why Choose

# Connecticut Closet and Shelf?

26 YEARS  
EXPERIENCE

As closet and storage design specialists, our mantra is "form follows function." For 26 years, we have remained steadfast in providing innovative, intelligent, and beautiful custom built-ins for professionals and homeowners alike. Our built-ins are manufactured at our Norwalk, CT facility.

## Connections with our community and our profession

We are proud of our alliances with the BBB - Better Business Bureau, HBRA - Home Builders and Remodelers Association, FOCUS-Fairfield Organizers Creating Ultimate Solutions, NAPO-National Organization of Professional Organizers. We are also founding members of the ACSP - Association of Closet and Storage Professionals.

*"I was very pleased with the product and service. The closets turned out exactly as planned and the installers were prompt, courteous and very neat. This is my second experience with CT Closet and I would definitely use them again."*

- Maria Napier, Wilton Resident
